

AS General Studies (Do Brilliantly at...)

This exam practice book for A2 contains detailed advice and tips on how to improve marks and overall grade. The author is a Principal Examiner for a major awarding body. Each chapter is broken down into four separate elements aimed at giving students as much practice and guidance as possible. There is a key points to remember section and lists of common mistakes, followed by exam questions with tips on how to score full marks. A section on questions to try makes up this guide, with all the answers and guidance at the back of the book.
