

## The D.I.D. Survival Guide: Dare to Dream (Healthy Living Now Book 3)

Do you ever wake up in the morning and wonder what if I had more money? What if my family hadnt been screwed up? What if I was normal? Anyone who has depression struggles with the what ifs. Suddenly dreams and happiness seem to be an impossibility. And our pill-popping society seems content to relegate the mentally ill to a life of TV-watching and depression. But dont let them fool you. You CAN live your dreams today! In this groundbreaking new book by popular self-help guru Vicky Bovary, you will learn how to overcome your personal obstacles and achieve your dreams. As someone who has struggled with depression and Dissociative Identity Disorder and is a successful artist, Vicky knows practical ways to overcome your triggers to achieve a fulfilling life. This easy-to-read book is made for everyday use and avoids delving into depressing traumatic details or psychological babble and will help YOU start step-by-step to reach your goals. This book is for the mom who wants to be a better parent, the business person who wants to achieve a promotion, the retiree who needs to overcome depression to enjoy his or her golden years, for the college or high school student who finds that motivation is hard to achieve with depression, for the addict or the alcoholic that has been dismissed by family or friends, and even for the therapist who wants to gain a better understanding of how it IS possible for their depressed clients to enjoy life and happiness.

**SELECT CONTENTS:** What is Your Dream? What are Your Obstacles? The Power of Friendship The Power of Good Health The Power of Counseling Mapping Your Goals **BONUS:** 10 Tips for Managing Triggers **BONUS:** FREE Music Download for You! **ABOUT VICKY BOVARY** Vicky was diagnosed with D.I.D., Dissociative Identity Disorder, in her early twenties after several misdiagnoses. After a dark valley of depression, failed relationships, and anger, Vicky learned how to overcome her mental illness through good friends, healthy habits, faith, and positive living. She still suffers from Dissociative Identity Disorder, but Vicky is no longer controlled by the mental illness. She hopes that she can help others realize that regardless of their mental illness, they can overcome and live fulfilling productive lives. Read more about how you can make a difference in your life or the life of someone that you know. In the D.I.D. Survival Guide, Vicky Bovary shares practical tips and her own stories of success and happiness in a trigger-free, easy-to-read manual. In the top 100 in Amazon for D.I.D. for over a year now, the D.I.D. Survival Guide: Start Living Now! has helped thousands of readers realize that they can overcome their illness and enjoy their multiple lives. This is the first helpful book I have read since the diagnosis. I can relate to every section. No triggers, no flights of fantasy just familiarity. I cant thank you enough. - Christine B. Most helpful, I will be bring it to my next therapy appointment. It as help me understand that everything I have done to survive was to live in this messed up world.- Anonymous
