

Abdullah al-Tall Arab Legion Officer: Arab Nationalism and Opposition to the Hashemite Regime

A Certain Sympathy of Scriptures attempts something more central to the essential interest of both Scriptures, more cogent in this 21st century (the 15th Islam). It is a concern with three shared dimensions: The divine will for this cosmos of created order; its entrustment into human hands as creaturely heirs to its order and responsive sciences; and the discipline of their tenancy and privilege by messengers and prophethoods disclosing the intention of divine Lordship in the fact of human vocation. These three dimensions are the supreme theme of both Scriptures.
