

Basic Grammar in Use Workbook

Basic Grammar in Use, Second Edition, is a new edition of a highly successful text for high-beginning to low-intermediate students. The Basic Grammar in Use Workbook provides students with further opportunities to practice difficult grammar points. It also helps to consolidate their understanding of related grammar topics, such as the different ways of expressing the future. This Workbook offers a wide range of activities, which include opportunities to work with grammatical structures in meaningful contexts. It also includes review sections for each group of units in the Students Book. These groups are listed in the table of contents of each Students Book. An edition with an answer key is also available.
