

## No Wonder They Call Him the Savior: Experiencing the Truth of the Cross (The Bestseller Collection Book 4)

The cross. It rests on the time line of history. Like a compelling diamond ...Its tragedy summons all the sufferers ...Its absurdity attracts all cynics ...Its hope lures all searchers. Far more than a gold-plated symbol of religious belief, the cross is the centerpiece of the Christian faith -- the meeting place of time and eternity. Where God and man encounter each other. Max Lucado takes you through the drama of the death and resurrection of Jesus Christ -- bringing to life Peters denial, Pilates hesitancy, and Johns loyalty. Relive the events leading up to Jesus crucifixion, from the foggy garden of Gethsemane to the incandescent room of the resurrection. No Wonder They Call Him the Savior leads you up the hill of mankind's highest hope and reminds you why he deserves to be called our Savior.
