

## Top Doctors: New York Metro Area 10th Edition

Whether you have recently moved to the New York Metropolitan area, are choosing a primary care doctor or seeking a specialist, Top Doctors: New York Metro Area provides access to more than 6,000 highly qualified physicians in 65 subspecialties, enabling you to find the best doctor for you and your family's needs. Representative of the top 10% of physicians in the New York Metro Area, the physicians profiled in this guide were nominated by their peers then carefully screened by Castle Connolly's physician-led research team, ensuring that they are truly Top Doctors. Those listed in this book do not and cannot pay to be listed. In addition to physician profiles, Top Doctors: New York Metro Area: Provides information on a number of the region's leading hospitals, including those in Castle Connolly's Partnership for Excellence program noting areas such as cancer, cardiovascular disease, orthopedics and pediatrics. Notes each physician's special expertise to ensure finding a doctor for your unique needs. Includes 21 counties in the tri-state area: New York (Manhattan); Bronx; Kings (Brooklyn); Queens; Richmond (Staten Island); Nassau; Rockland; Suffolk; Westchester; Bergen; Essex; Hudson; Mercer; Middlesex; Monmouth; Morris; Passaic; Somerset; Union; Fairfield; New Haven.
