

## Picturing the Past - Charlotte Mason Homeschooling: Study of Art & History - 180 Day Picture Study Journal Includes 90 Notable Paintings Dated 1700-1930 - Ages 7 to 17

Art & History! An entire year of homeschooling goodness is packed into this beautiful full color handbook! This workbook is excellent for a wide variety of ages, and not only introduces the student to some amazing works of art, but also helps the child discover the meaning, importance, history and story behind the pictures. This book covers European and American History from a domestic perspective from the 18th, 19th and early 20th centuries. Students will learn what life was like for Americans and Europeans during these centuries. All of the paintings are carefully chosen to be appropriate for all ages, and do not contain nudity like many other books that are used for young students. Many of the pictures are about people, animals, home life, village life, and some of the pictures are of interesting places. Some of the pictures are humorous too!
