

## When Souls Take Flight: Coping with Grief

When Souls Take Flight: Coping with Grief shines light on a subject that is all too often equated with darkness. This soothing book presents a refreshing, non-sectarian view of what happens when we die. With particular focus on the longevity of the soul, it offers compassionate advice for anyone who is grieving, caring for a loved one in their final days, or terminally ill themselves. If you've lost someone you love, or are about to, this book was written for you.
