

The Redemption Story

The Redemption Story is written to give believers a better defense against the attacks of unbelievers against the Evangelical faith and its base, the Bible. Questions are answered in regards to creation, Noahs Flood, the resurrection of Jesus Christ and points of end time events, to mention a few. The thinking Evangelical can, on the basis of the information found in this book, easily find out the answer to a question like this: If there was only Adam, Eve, Cain and Abel on Earth where did Cains wife come from? So the object towards the believer is to strengthen his understanding and faith. This book is also written to engender the curiosity, interest and awaken confidence in those who know nothing or little of the Bible and the Christian faith.
