

FIRST PLACE in Readers Crown Award for urban fantasy. FIRST PLACE in Central Florida RWAs Touch of Magic contest for paranormal romance. Cassie Durrett dreams of the darkness. And lives the nightmare. Shes working for a tightwad boss at a pretentious NYC diner, dealing with paralyzing pain that doctors can't diagnose, and trying to hide her hands that glow purple whenever she ...well, whenever. So, when mystery man, Gabe, walks out of her dreams and into her life to spout some nonsense about her being a mythical creature, she chalks it up to one more crazy thing to add to her it's-a-crappy-life list. Yet, when his predictions start to come true, shell need his help to beat back the darkness-spawned creatures invading her reality. Pretty soon Gabe has her running half way across the country in search of answers. As a bond grows between them, Cassie worries not about losing her mind to the paranormal madness, nor her life to hellish monsters. Rather her deepest fear is surrendering her heart to a powerful man fallen from grace.
