

# For the Common Good: An Economic Theory Based on Biblical Teachings Complemented with Parables and Stories: Book Three of the Universal Pe

For The Common Good is the third book of Dr. Cox's Universal Peace and Harmony series. In this final segment of the trilogy, Dr. Cox explains in detail the Economic and Political system that he envisions for the future benefit and the common good of humanity. He also continues to teach us a basic universal code of morals and ethics, through his delightful stories and parables.
