

## The Light Looks Another Way: A Space Poem Trilogy

The Light Looks Another Way is a three-part collection of poems that chronicles the thoughts, emotions, and observations of a nameless, shape-shifting fictional character. A wandering soul from a shattered universe, he sets sail through space and time to find meaning in the outer limits of darkness. His travels have brought him to Earth where his human form allows for an experience that is truly alien. Is there light within human existence or does the light look another way?
