

Consecration to Jesus Christ, through Mary and Joseph: Theology of a spirituality after the Holy Family

To be hers is to belong perfectly to Jesus Christ. Few persons realize the great role the Virgin Mary plays in the sanctification of souls. As spiritual Mother of the Mystical Body, Mary, together with the Holy Spirit, has the task of forming Christ in souls through divine grace. The great Marian Saints Louis De Montfort and Maximilian Kolbe, continuing and further developing a 2000-year tradition of theologically sound and Christocentric devotion to the Mother of God, consistently taught that our response to Mary's role as Spiritual Mother should be nothing short of total consecration to Her. This book thoroughly explores the firm theological foundations for this sublime devotion of total consecration, focusing on Mary's Spiritual Motherhood as it is expressed and manifested through Her three-fold function as Co-Redemptrix, Mediatrix of all grace, and Advocate for the People of God. This work stands out among the many books written on consecration to Mary in that it takes into serious consideration the often neglected role of St. Joseph in this devotion, thereby exalting the entire Holy Family of Jesus, Mary and Joseph, or the Earthly Trinity, as the basis for a universal spirituality, especially suited for the laity. With an understanding of (1) St Joseph's spousal union with Mary as the epitome of perfect consecration to Jesus through Mary; (2) his role as Spiritual Father and Patron of the universal Church; (3) and finally, the universality of the call to holiness, and the corresponding universal spirituality that this devotion offers, the reader will be brought to an entirely new awareness of and appreciation for the profundity of this most sanctifying devotion of perfect consecration to Jesus, through Mary, in the spirit of St. Joseph. A new prayer of total consecration to Jesus, through Mary, is included. Available as paperback and ebook (Kindle) from Amazon.
