

Candida: Holistic Solutions

Candida/Yeast issues are typically associated with vaginal infections yet, did you know that babies, MEN and women can have candida overgrowth? It may look like diaper rash, cradle cap, thrush, jock itch, bloating, cant lose weight or make you say/think things like, Why cant the doctors figure out what is wrong with me??. If you have any auto immune disease, gut issue, brain fog, fibromyalgia, diabetes or a weakened immune system there may be a huge Candida involvement. This book addresses what Candida looks like, the conditions that may be related, what causes it, how to avoid - including diet changes, and holistic solutions. As always my books are packed with information and easy to understand.
