

The Startup Blueprint : The Young Entrepreneurs Step-by-Step Guide: To Starting Your Own Business

You want to be your own boss. After all, why wouldn't you? You're young and ready to take on the big bad world of business. Opening your own business is among the best ways to protect yourself from the risks of unemployment and the monotony of doing the same thing everyday. But starting a new business is easier said than done. It involves careful planning and smart execution. Over 90% of start-ups fail within the first three years and yet, start-ups spring up everyday. What can you do to make sure you don't shut shop after a year or two of starting your business? There is no better feeling than the accomplishment of starting your own business. The Startup Blueprint is a treasure trove of practical tips and real world advice from successful young entrepreneurs, who've been there and done that. Starting a new business isn't easy, but with this book, you'll have everything you need to know before you do.
