

## Meditations On The Mysteries Of The Rosary

The Rosary is the favorite prayer of heaven and earth. No other prayer has been recommended by Our Lady in her visitations from heaven to earth like the Rosary. No other prayer has been so frequently praised, commended, and even commanded by the Popes, or enriched by them with such great indulgences, as the Rosary. We live in the age of the Rosary. The family rosary, the block rosary, the living rosary at solemn public functions are part and parcel of modern Catholic life. It has been estimated that there are at least twenty five million rosaries recited in the world every day. Our Lady at Fatima urged the recitation of the Rosary for the conversion of sinners and for world peace.
