

A Cuckolds Tale

The true stories of F.U. Cummings how he and his wife were introduced to swinging and how that eventually led to the cuckolding lifestyle they now share. These are the true stories that inspire many of his short novellettes; from sharing his wife for the first time to sending her out alone with other men on a semi-regular basis. For those interested to peer into the mind of a man that lets his wife have other sexual partners this is a chance to take a peek.
