

# Give Us This Day: A Daily Bible Study, Devotion, Meditation, and Prayer For the Whole New Testament - Vol. 1: Matthew

Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina. Lectio divina, or divine reading, is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind. Rather than writing a short devotional about a particular verse from a passage, Give Us This Day deals in depth with entire passages and their contexts; rather than selecting only certain portions of the New Testament to write about, Fr. Charles has written a devotional for each and every passage of the New Testament. At the end of each days devotional, an appropriate Prayer is offered, as well as Points for Further Reflection on the days lesson. Each devotional concludes with a suggested Resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading, meditation, and prayer. Matthew is the first volume of an eight-volume series that will provide daily devotionals for every passage in the New Testament.
