

## Kahuna Magic

Train yourself to interpret dreams, heal the sick or travel out of body. These occult feats defy the logic of our modern world, yet they can be a potent force in your life. The author, a well-known authority on psychic and occult experiences, shows how a knowledge of Huna, an ancient Hawaiian religion, helps you master feats of occult magic. With this unique guidebook, you can teach yourself the ancient Kahuna techniques. Use them to foresee the future, to increase your wealth, to control the weather and other ways to enrich your life. As the author says, I want readers to discover their ability to apply some of the psychic secrets employed by the Kahunas.
