

In Search of Excellence: Lessons from Americas Best-Run Companies

The Greatest Business Book of All Time (Bloomsbury UK), In Search of Excellence has long been a must-have for the boardroom, business school, and bedside table. Based on a study of forty-three of Americas best-run companies from a diverse array of business sectors, In Search of Excellence describes eight basic principles of management -- action-stimulating, people-oriented, profit-maximizing practices -- that made these organizations successful. Joining the HarperBusiness Essentials series, this phenomenal bestseller features a new Authors Note, and reintroduces these vital principles in an accessible and practical way for todays management reader.
