

Financial accounting is undergoing a period of unprecedented change. The FASB and IASB have been working together to issue converged accounting standards that will dramatically change key reporting areas, and more generally have sought to converge accounting standards over time. In late 2011, the SEC will announce its decision on whether large public companies in the U.S. will be able to choose whether to report under U.S. GAAP or IFRS or if all companies are anticipated to be reporting under IFRS in the near future. So, while there currently is considerable overlap between U.S. GAAP and IFRS, and that overlap is increasing as convergence continues, important differences remain. To help instructors deal with the challenging environment, the Spiceland team is committed to providing current, comprehensive and clear coverage of intermediate accounting. The 7th edition reflects this commitment with the following innovations.

Rosa Parks (History's All-Stars), How to Help a Grieving Friend: A Candid Guide for Those Who Care (Whitson, Stephanie Grace), The Psychology of Pierre Janet (Routledge Revivals), The U.S. Army in the West, 1870-1880: Uniforms, Weapons, and Equipment, My College Journal, Porn Star Secrets of Sex: Over 100 Mind-blowing Tips, Tricks, and Games You Wish You Knew, Listening to Rural Midwestern Idioms/Folk Sayings, The Ultimate Guide To Overcome Marijuana Addiction: The Most Effective, Permanent Solution To Finally Cure Marijuana Addiction For Life (Addiction, Porn Addiction, Caffeine Addiction), Business Computer Systems: An Introduction, Jung Dayeon Su shen nu huang wan mei qu xian shen zhan cao (Chinese Edition) (1 DVD in Chinese Included),
