The Boone and Crockett Club is pleased to present a collection of 43 short stories recounting the adventures for some of the most outstanding native North American big game trophies ever taken. All of these stories appeared in Boone and Crockett Awards books and were handpicked for the special way in which each hunter captured the essence of their hunting experiences, including their tenacity, their ethics, and their respect for the game hunted. Legendary Hunts offers a unique glimpse at the apex of our hunting culture everyday hunters who defied the odds to take an exceptional trophy. You will feel the emotion, pride, care, dedication, and excitement as you enjoy the stories of the men and women who have taken these outstanding trophies.
