

101 Low-Carb & Sugarfree Dessert Recipes

Dessert is back! Low-carbers can now have their diet and dessert too! With the advent of improved artificial sweeteners a plethora of manufactured sugarfree sweets are now available if you want to pay the high price for new. But what if you want to make them yourself, in your own kitchen? The recipes you have missed are now available in this book. Is it possible to have too many cookbooks? You say you want real pie crust? How about gooey, chewy candy and cookies? Or how about a Creme Brulee or a Lemon Gateau cake that you could serve to guests? Would you love to have the recipe for a bake mix you can use to make pancakes and waffles that taste like their high carb counterparts, instead of saw dust? 101 Low-Carb & Sugarfree Dessert Recipes was born from the direct result of a sweetaholic wanting something that simply wasn't out there. After months of turning her kitchen into a food laboratory, April Fields now makes these wonderful recipes available to all those low-carbers who long for the comfort of desserts that really satisfy. Easy to follow recipes and a complete resource section for finding the best available products will make this cookbook the best thing to come along since sugarfree Butter Pecan Brittle!
