

# Lectures on the Causes and Treatment of Ulcers of the Lower Extremity: Delivered at the London Hospital, During the Summer of 1848 (Classic Reprint)

Excerpt from Lectures on the Causes and Treatment of Ulcers of the Lower Extremity: Delivered at the London Hospital, During the Summer of 1848. The author of the following Lectures, which have already appeared in the pages of The Lancet, feels it due to the Profession to offer some reasons for republishing them in a collected form. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com). This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
