

## Viva, Mr. Mandela: A Celebration in Words and Pictures

Full color throughout, each spread comes alive with a mix of photographs, illustrations and lively, concise text. Through five sections we follow the stages of his life: the Eastern Cape, Johannesburg, Robben Island, Release and years as President, and Madiba the Celeb dealing with his iconic status all over the world and the Madiba Magic which everyone wants to share in. This is a book for browsing and also an excellent reference book. It is aimed at early teens, but also accessible to even younger readers as well as adults. The Madiba the Celeb angle will add to its appeal to younger readers. The visual material is funky and current and the design is crisp and modern.
