

101 Tips for Raising Healthy Kids with Diabetes

Written in a straightforward Q&A format, this book is part of ADA's best-selling 101 Tips Series and answers questions about managing diabetes in children - from nutrition, medication, exercise, monitoring, schooling, and special needs to development. It is one of the only up-to-date books to include health and parenting information on toddlers with diabetes. Both authors have years of experience counseling children and adolescents with diabetes.
