

REVEL for A World of Art -- Access Card (8th Edition)

REVEL for A World of Art fosters the critical thinking and visual literacy skills students need to understand art from around the globe. Noted author and educator Henry Sayre teaches students how to ask the right questions about the visual world that surrounds us, and to then respond meaningfully to the complexity of that world. New to the eighth edition, seven thematic chapters help students better identify and understand major themes of art such as the cycle of life and the body, gender, and identity that transcend different eras and regions. REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL offers an immersive learning experience designed for the way today's students read, think, and learn. Enlivening course content with media interactives and assessments, REVEL empowers educators to increase engagement with the course, and to better connect with students.
