

Shear Anxiety: Life behind the Chair

A view from the hairstylists side of the chair. Everything from juggling a days schedule to creating that perfect hairstyle, over and over, client after client. For the future Hairstylist, the positives and negatives of this career, as all careers have. What I think would help this vocation off to a better future, more knowledge, about how to save the money that is made. Advanced education, rather than trial and error. What its like to be in contact with clients every day of youre career.
