

Storm Tossed: How a U.S. Serviceman Won the Battle of Sex Addiction

It began at the age of 9 when a friend invited him over to look at his father's girlie magazines. Though raised in a Christian home, ten years later he was viewing X-rated videos which fed an insatiable lust that began looking for an opportunity to act out. Jake Porter found that opportunity in Mediterranean ports while serving as an aviation ordnanceman aboard the USS America. At a time when the Gulf War was unfolding, Jake should have been totally committed to God and country. However, the seedy world of pornography and prostitution sabotaged his Christian life and made his commitment to the Navy a low priority. Even later, as a regular church-going civilian, he was haunted by his sins. Porter doesn't pull any punches in this true story. He finally learned that complete honesty is a key factor in breaking free of the bondages of sexual sin. From its riveting opening scene to its explosive surprise ending, this hard-hitting story takes the reader from the Persian Gulf War zone and the gritty underworld of prostitution to the glory of God's saving grace.
