

# Tactical Psychotherapy of the Personality Disorders: An MCMI-III Based Approach

In these pages Dr. Retzlaff brings together a team of expert clinicians and researchers, each specializing in a specific psychotherapeutic approach and well versed in the Millon Clinical Multiaxial Inventory. In a series of insightful chapters, they show how the MCMI can be effectively used to support clinical diagnosis and develop treatment plans in their areas of expertise. Psychotherapeutic approaches discussed include behavioral, interpersonal, cognitive, object relations, self-image, defense mechanism, psychic organization, and mood-temperament.
