

Teaching Comprehension and Exploring Multiple Literacies: Strategies from the Reading Teacher

Whatever grade level, content, or texts you teach, your ultimate goal is to develop your students understanding of what they read. The 29 articles in this anthology offer you a wealth of ideas to help your students comprehend different types of texts and literacies, from technology literacy to visual, theater, and music literacy. You'll find instructional strategies and activities on a wide range of topics, including narrative and expository texts, the K-W-L strategy, anticipation guides, graphic organizers, wordless picture books, shared books, the Internet as a teaching resource, and integrating music, reading and writing at the primary level.
