

Freed Indeed!: My Journey from Occultism to Christ (A Spiritual Oddysey)

As a young man, Dr. Ron Tyler was a sincere seeker after spiritual truth. But wounding from his past pushed him to the brink of spiritual despair and disillusionment with what he thought was Christianity. This is his dramatic true story, showing how Satan lured him through supernatural experiences, ensnaring him in demonic deception and occult bondage in a New Age cult called the Gurdjieff Foundation. But, more importantly, it is the inspiring story of how God miraculously delivered him from satanic oppression and negative behavior patterns that threatened his marriage, career, and eternal destiny.
