

## Book of Shadows

Since Phyllis Currott first published *Book of Shadows*, the story of her spiritual journey and initiation as a High Priestess in the Wiccan community, Witchcraft has captured America's imagination as a theme for fiction, television shows, and films. Now America's highest-profile Witch returns to dispel more myths and misrepresentations of her faith, and to share a practical guide to the beautiful spiritual rituals and philosophies behind Wiccan tradition. Rich with enchanting stories from Currott's own experiences and detailed advice for creating potions, working with Nature, and finding the Divine within, *Witch Crafting* is much more than just another superficial recipe book. Currott's unique guidebook integrates the inspiration of religious wisdom with sound, practical information. *Witch Crafting* reveals how to: incorporate Wiccan practices into your daily life; master the secret arts of effective spell casting; create sacred space and personal rituals; perform divinations for insight and success; and tap the magical power of altered states, such as dreaming meditation, prayer, and trance. Perfect for beginners or seasoned practitioners, *Witch Crafting* is the ideal handbook for anyone seeking to unlock the divine power that makes real magic happen, and to experience the power and gifts of the universe more fully.
