

The Classic Doctor Who DVD Compendium: Every disc • Every episode • Every extra

The release on DVD of the original series of Doctor Who is probably the most comprehensive presentation of a television programme ever produced. Not only are the episodes themselves digitally restored to pristine quality using the best surviving materials and innovative new techniques, but each disc is packed with supplementary features that examine the making, broadcast and legacy of this groundbreaking show. Now every disc, every episode and every extra has been collated and chronicled to guide viewers old and new on their journey through the intriguing history of Doctor Who, all fully indexed for easy reference. If you're only just learning about the show's past then this book will guide you through the adventure ahead. If you're still building your collection it will help you discover further stories you're sure to enjoy. And if you already have every release, then The Classic Doctor Who DVD Compendium is your ultimate companion to the complete range.
