

# The Conscience of Lebanon: A Political Biography of Etienne Sakr (Abu-Arz) (Israeli History, Politics and Society)

This work is a combination of an account of a most captivating Lebanese personality with a penetrating analysis of the historical and religious contours of Lebanon. Mordechai Nisan spent much time with Etienne Sakr between 2000 and 2001. Set within the context of the national political narrative of Lebanon, this volume offers a portrait of Sakr and the times in which he lived before his exile to Israel in May 2000. Personal testimonies from Lebanese residents and conversations with others outside of Lebanon who knew Abu-Arz, in addition to interviews with Israelis acquainted with him, provide the authenticity to the portrait of this remarkable man.
