

In this open book, M.L. Moore details how one tragic event in his childhood eventually led to an addiction to pornography that he struggled with well into his thirties. Like most people who struggle with any addiction, M.L. felt that overcoming such an addiction was an impossible feat. After failing to overcome time after time M.L. Moore finally stumbled upon an unconventional revelation of God's grace, which he believes is the foundation for his deliverance process. Through grace, self-established boundaries, and the renewing of the mind M.L. Moore shares how you too can overcome your addiction to pornography and live free.
