

## The Leader of the Future 2: Visions, Strategies, and Practices for the New Era

The Leader of the Future 2 follows in the footsteps of the international bestseller The Leader of the Future, which has been translated into twenty-eight languages, and is one of the most widely distributed edited collections on leadership to date. In twenty-seven inspiring and insightful essays, this book celebrates the wisdom of some of the most recognized thought leaders of our day who share their unique vision of leadership for the future. Returning Contributors: Ken Blanchard with Dennis Carey, Stephen Covey, Marshall Goldsmith, Charles Handy, Sally Helgesen, Rosabeth Moss Kanter, Jim Kouzes & Barry Posner, Richard Leider, Ed Schein, Peter Senge, and Dave Ulrich with Norm Smallwood. New Contributors: John Alexander, Darlyne Bailey, Howard Gardner with Lynn Barendsen, Usman Ghani, Ronald Heifetz, Joe Maciariello, Jan Masaoka, John Mroz, Brian OConnell, Jeff Pfeffer, Ponchitta Pierce, Srikumar Rao, General Eric Shinseki, R. Roosevelt Thomas, Noel Tichy with Chris DeRose, and Tom Tierney. Hesselbein and Marshall Goldsmith, one of the USAs top executive coaches, edited the collection The Leader of the Future 2. Its 27 eloquent essays provide a kind of hopeful, idealistic best-case scenario for future leaders of non-profits and businesses. This is not a cookie-cutter, how-to approach. The job of the essayists is to provide food for thought and goals. The high quality of writing here should inspire anyone who has aspirations for leadership. Bruce Rosenstein, USA Today
