

# The Quotable Stoner: More that 1,100 Baked, Lit-Up, and Zonked-Out Quotes in Tribute to (and as a Result of) Smoking Weed

I love my FedEx guy cause hes a drug dealer and he dont even know it ... and hes always on time.--Mitch Hedberg Talking about weed? It never gets old. Theres just a whole lot to be said. And in this book, youll find more than a thousand hilarious, half-baked quotes about marijuana and its (medicinal, calming, overall awesome) influence on movies, people, politics, and pop culture from well-known stoners like Tommy Chong to closet inhalers like Jennifer Aniston. Within these papers (er, pages), youll be treated to tasty nuggets of wisdom from Jay Leno (Forty million Americans smoke marijuana and the only ones who didnt like it were Judge Ginsburg, Clarence Thomas, and Bill Clinton.) to Bob Marley (When you smoke the herb, it reveals you to yourself.) and every pothead in between. As you roll through these words of wisdom, picking up new knowledge to drop on your friends, youll wish you thought of these killer buds first. So gather around the bong, grab some snacks to share, and burn through this collection of essential pothead wisdom.
