

# The Reel Shakespeare: Alternative Cinema and Theory

This collection models an approach to Shakespeare and cinema that is concerned with the other side of Shakespeares Hollywood celebrity, taking the reader on a practical and theoretical tour through important, non-mainstream films and the oppositional messages they convey. The collection includes essays on early silent adaptations of Hamlet, Greenways Prosperos Books, Godards King Lear, Halls A Midsummer Nights Dream, Taymors Titus, Polanskis Macbeth, Welles Chimes at Midnight, and Van Sants My Own Private Idaho.
