

The Ultimate Book of Useless Information

Hot on the heels of the sensational success of the first Book of Useless Information, the Official Useless Information Society bring you another essential compendium of everything you never needed but always wanted to know. Were you aware, for example, that dynamite contains monkey nuts as an ingredient? Or what percentage of the worlds population is drunk at any one time? The vital statistics of a groundhog? Or the odds of being killed by a tornado? If the irredeemably pointless turns you on, then this is the book for you.
