

## The Worlds Most Haunted Places, Revised Edition: From the Secret Files of Ghostvillage.com

Nobody in the paranormal knows ghosts like Jeff Belanger. Reading *The Worlds Most Haunted Places* may just be the closest you'll come to going on an investigation without actually being there.--Nick Groff, from the Travel Channels *Ghost Adventures* For years I have considered Jeff Belanger to be one of the most passionate and knowledgeable authors in the paranormal field. I routinely recommend his books to aspiring paranormal investigators and *The Worlds Most Haunted Places* is no exception.--Amy Bruni from the Syfy Channels *Ghost Hunter* *The Worlds Most Haunted Places, Revised Edition* explores the history, folklore, and ghostly legends behind some of the worlds most fascinating points of interest. Now in its second edition, Belanger revisits some of the most famous haunts with new first-hand accounts, chapters, and locations. Ghostly legends abound wherever history has made its mark. Battlefields, prisons, asylums, national monuments--all of them have stories to tell. Their ghosts still lurk, demanding that we remember the past. They're real. They're out there. And Jeff Belanger has found them: President Lincoln has been walking the halls of the White House in Washington, D.C., for more than a century. The Queen Mary may just be the most storied and haunted ship on the planet. The catacombs of Paris contain the skeletal remains of six million bodies...and many of their ghosts. And the Tower of London is haunted by noblemen and commoners--some still searching for the heads they lost more than 500 years ago. Take a world tour of history, the supernatural, and the macabre. You will explore libraries, museums, restaurants, inns, and landmarks from North America, South America, Europe, and Australia. But be careful: *The Worlds Most Haunted Places*, may make you a believer!
