

There are many books written about OCD, but very little written specifically about Harm OCD. It is the subject no one wants to talk about, but I believe that it is extremely important to have a specific book on Harm OCD. This book is a complete guide to Harm OCD recovery. You will learn how Harm OCD operates, what makes it stay or go away and how to quickly recover. There are detailed explanations of Harm OCD feelings, thoughts and compulsions to help you recognize Harm OCD patterns and stay on track in your recovery. Ali Greymond recovered from OCD using this method and has helped people all over the world completely recover from OCD. If you need help getting over OCD this book is for you.
