

Medical, Legal and Workplace Issues For The Transsexual

Medical, Legal and Workplace Issues for the MTF & FTM Transsexual supplies comprehensive and accurate information addressing the medical, legal and workplace issues encountered through every phase of the sometimes challenging transition process. From the real-life test, to surgical, medical and legal concerns, to the start of life thereafter, this book provides the necessary tools and information to make transitioning proceed smoothly and successfully. A must-read for male to female and female to male transsexuals beginning or currently engaged in the transition process.
