

Treasure in Clay Jars: Personal Stories of Faith from Indiana United Methodists in Their Own Words

Treasure in Clay Jars is a collection of personal experiences in faith. Sprung from the idea of one woman, this book developed into a collection of meaningful and authentic experiences. The stories are soul-baring, and have a distinct and personal focus. Many reflect moments of simple, beautiful clarity, while others describe an astounding grace born out of an otherwise shattering experience. What they have in common is the brief glimpse, through all-too-human eyes, of the transcendent.
