

True Paranormal: 12 Bizarre True Stories Of The Most Spookiest Places, Objects And People: Encounters With True Paranormal Hauntings (True Ghost ... True Ghost Stories, True Paranormal)

12 Bizarre True Stories Of The Most Spookiest Places, Objects And People: Encounters With True Paranormal Hauntings We live in a world that we do not entirely understand. Some things are apparent and right before us and we can quantify these things and even prove them scientifically. These are the acceptable elements of our world that do not necessarily scare us. Even a natural catastrophe does not necessarily keep us up at night. People, by our very nature, fear the things that we cannot explain or measure. We can feel them, hear them, see them and sometimes even smell them. But, the fact that these entities do not have the same behavior at all times makes them interesting, yet extremely fear inducing. Yes, this book explores areas on our planet where these inexplicable activities are highly prevalent. Almost everyone who has been here has witnessed or, at least, felt something that is not of this world. These accounts have intrigued more and more explorers from across the globe to experience it for themselves to believe it. Some have walked away with a few chills down their spine and others with a completely different perspective of the world that we live in. For, these people know and believe that what you see is not all that there is. There are elements beyond our comprehension. Some are here peacefully and some are still trying to complete some unfinished business and are evidently unhappy...
