

Daniel (OT Daily Study Bible Series)

Daniel, writes D. S. Russell, is a fascinating book which speaks as profoundly to our day as it did to the day it was first written. Its message declared unequivocally that the sovereign Lord God was in control not only of history but also of the end of history. An exciting demonstration of trust and devotion, Daniel offers a positive message of hope and reassurance for the people of God in every age. Carrying forward brilliantly the pattern established by Barclays New Testament series, the Daily Study Bible has been extended to cover the entire Old Testament as well. Invaluable for individual devotional study, for group discussion, and for classroom use, the Daily Study Bible provides a useful, reliable, and eminently readable way to discover what the Scriptures were saying then and what God is saying today.
