

## Were Going on a Bear Hunt in Czech and English (English and Czech Edition)

Bright and colourful illustrations accompany this dual-language edition of *Were Going on a Bear Hunt*. Follow the familys excitement as they wade through the grass, splash through the river and squelch through the mud in search of the bear. What a surprise awaits us all in the cave on the other side of the dark forest. With the text in both English and Bengali, the familiar story will inspire both early readers and older learners who enjoy reading Albanian and English in parallel. Enchanting artwork and bilingual text will help introduce young children to a foreign language in a natural and relaxed way.
