

A Place of No Grace

A Place of No Grace is an exciting new book by Pastor Paul Kingsbury. This insightful book gives an in-depth analysis of bitterness: the causes, the effects, and the treatment of this catastrophic condition. This book makes an excellent gift for: RU students, church members, and family. Dr. Kingsbury has been the senior pastor of North Love since 1982, with a congregation that has grown to nine hundred regular attending members. His ministry includes a private Christian school, Bible College, Bus Ministry, and is the home of Reformers Unanimous, a local church based addictions program which is now being used in more than five hundred churches across the United States and several other countries around the world. Thousands of people have come to Christ out of serious addictions and are experiencing freedom and victory through this program. Pastor Kingsbury's church has also opened homes for men and women; where they may be discipled from a lifestyle which involved alcohol, drugs and other stubborn habits to grow into spiritual maturity. Dozens of Christian workers have also been sent from North Love Baptist Church into mission fields around the world.
