

When Your Ears Ring! (5th Edition): Cope With Your Tinnitus - Heres How

If your ears ring, buzz, chirp, hiss or roar, you know just how annoying tinnitus can be. The good news is that you do not have to put up with this racket for the rest of your life. Recent studies show that a lot of what we thought we knew about tinnitus is not true at all. Furthermore, exciting new research reveals what you can do to eliminate (or greatly reduce) the severity of your tinnitus. When Your Ears Ring explains what causes tinnitus and the options available to you that can help you bring your tinnitus under control.
