

Yoga and Parkinsons Disease: A Journey to Health and Healing

Yoga and Parkinsons Disease is a practical how to guide to using yoga to manage stress, improve mental alertness, increase flexibility, correct posture and improve the quality-of-life of readers with Parkinsons. It follows the authors own experience and research studies in the subject that have shown a correlation between yoga practice and better health and outcomes after a Parkinsons Disease diagnosis. More than simply an exercise guide, the book is a deeply soothing form of moving meditation and physical activity that is a safe way to rebuild strength, stamina, and flexibility. Yoga and Parkinsons Disease shows how yoga ameliorates difficulties that accompany Parkinsons, including mobility, range of motion, balance, and guides towards leading a healthier life.
